Purpose of the policy

The Trust is committed to ensuring that the exams management and administration process is run effectively and efficiently and in compliance with the published JCQ regulations and awarding body requirements.

This exam policy will ensure that:

- the workforce is well informed and supported
- all centre staff involved in the exams process clearly understand their roles and responsibilities
- all exams and assessments are conducted according to JCQ and awarding body regulations, guidance and instructions, thus maintaining the integrity and security of the exam/assessment system at all times

This policy is reviewed annually to ensure ways of working in the centre are accurately reflected and that exams and assessments are conducted to current JCQ (and awarding body) regulations, instructions and guidance.

This policy will be communicated to all relevant centre staff.

Roles and responsibilities overview

The head of centre is the individual who is accountable to the awarding bodies for ensuring that the centre is always compliant with the published JCQ regulations and awarding body requirements in order to ensure the security and integrity of the examinations/assessments. It cannot be the Exams Officer.

The examinations officer is the person appointed by the head of centre to act on behalf of, and be the main point of contact for, the centre in matters relating to the general administration of awarding body examinations and assessments.

The head of centre may not appoint themselves as the examinations officer. A head of centre and an examinations officer are two distinct and separate roles.

The head of centre and/or examinations officer may operate across more than one centre. In such cases the head of centre must ensure there is suitable support in place, so they can meet their obligations across all centres for which they are responsible. The head of centre must ensure that these arrangements are covered by their examinations contingency plan. (GR, section 2)

Head of centre responsibilities

The **head of centre** is the individual who is accountable to the awarding bodies for ensuring that the centre is always compliant with the published JCQ regulations and awarding body requirements to ensure the security and integrity of the examinations/assessments. **It is the responsibility of the head of centre to ensure that all staff comply with the instructions in this booklet.** Failure to do so may constitute malpractice as defined in the JCQ publication *Suspected Malpractice: Policies and Procedures, 1 September 2022 to 31 August 2023*:

APPENDIX 2 – MALPRACTICE POLICY

What is malpractice and maladministration?

- (SMPP 1)

‘Malpractice’ and ‘maladministration’ are related concepts, the common theme of which is that they involve a failure to follow the rules of an examination or assessment. This policy and procedure uses the word ‘malpractice’ to cover both ‘malpractice’ and ‘maladministration’ and it means any act, default or practice which is:

- a breach of the Regulations
- a breach of awarding body requirements regarding how a qualification should be delivered
- a failure to follow established procedures in relation to a qualification

which:

- gives rise to prejudice to candidates
- compromises public confidence in qualifications
- compromises, attempts to compromise or may compromise the process of assessment, the integrity of any qualification or the validity of a result or certificate
- damages the authority, reputation or credibility of any awarding body or centre or any officer, employee or agent of any awarding body or centre

For the purposes of this document, suspected malpractice means all alleged or suspected incidents of malpractice (SMPP 2)

Purpose of the Policy

The purpose of this policy is to confirm that South Lincolnshire Academies Trust manages malpractice in accordance with the JCQ General Regulations for Approved Centres (section 5.11). Under normal delivery arrangements we take all reasonable steps to prevent the occurrence of any malpractice (which includes maladministration) before, during and after examinations and report and investigate as detailed in the centre’s general Exams policy according to the requirements.

General Principles

In accordance with the regulations South Lincolnshire Academies Trust will:

- Take all reasonable steps to prevent the occurrence of any malpractice (which includes maladministration) before, during and after examinations have taken place (GR 5.11)
- Inform the awarding body immediately of any alleged, suspected or actual incidents of malpractice or maladministration, involving a candidate or a member of staff, by completing the appropriate documentation (GR 5.11).

- As required by an awarding body, investigate any instances of alleged or suspected malpractice (which includes maladministration) in accordance with the JCQ publications **Suspected malpractice – Policies and procedures** and provide such information and advice as the awarding body may reasonably require (GR 5.11)
- Where reference is made to candidates, this includes any private candidates accepted by the centre

Candidate Malpractice

- ‘Candidate malpractice’ means malpractice by a candidate in connection with any examination or assessment, including the preparation and authentication of any controlled assessments, coursework or non-examination assessments, the presentation of any practical work, the compilation of portfolios of assessment evidence and the writing of any examination paper (SMPP 2)

Centre staff malpractice

- ‘Centre staff malpractice’ means malpractice committed by:
 - a member of staff, contractor (whether employed under a contract of employment or a contract for services) or a volunteer at the centre; or
 - an individual appointed in another capacity by a centre such as an invigilator, a Communication Professional, a Language Modifier, a practical assistant, a prompter, a reader or a scribe (SMPP 2)

Preventing malpractice

South Lincolnshire Academies Trust has in place:

- robust processes to prevent and identify malpractice, as outlined in section 3.3 of the JCQ publication **Suspected Malpractice: Policies and Procedures (SMPP 4.3)**

Identification and reporting of malpractice

- The head of centre will notify the appropriate awarding body immediately of all alleged, suspected or actual incidents of malpractice, using the appropriate forms, and will conduct any investigation and gathering of information in accordance with the requirements of the JCQ publication **Suspected Malpractice: Policies and Procedures (SMPP 4.1.3)**
- Form JCQ/M1 will be used to notify an awarding body of an incident of candidate malpractice. Form JCQ/M2 will be used to notify an awarding body of an incident of suspected staff malpractice/maladministration (SMPP 4.4, 4.6)
- Malpractice by a candidate discovered in a controlled assessment, coursework or non-examination assessment component prior to the candidate signing the declaration of authentication need not be reported to the awarding body but will be dealt with in accordance with the centre’s internal procedures. The only exception to this is where the awarding body’s confidential assessment material has potentially been breached. The breach will be reported to the awarding body immediately (SMPP 4.5)

- If, in the view of the investigator, there is sufficient evidence to implicate an individual in malpractice, that individual (a candidate or a member of staff) will be informed of the rights of accused individuals (SMPP 5.32)
- Once the information gathering has concluded, the head of centre (or other appointed information-gatherer) will submit a written report summarising the case to the relevant awarding body, accompanied by the information obtained during the course of their enquiries (SMPP 5.34)
- Form JCQ/M1 will be used when reporting candidate cases; for centre staff, form JCQ/M3 will be used (SMPP 5.36)
- The awarding body will decide on the basis of the report, and any supporting documentation, whether there is evidence of malpractice and if any further investigation is required. The head of centre will be informed accordingly (SMPP 5.39)

Communicating malpractice decisions

- Once a decision has been made, it will be communicated in writing to the head of centre as soon as possible. The head of centre will communicate the decision to the individuals concerned and pass on details of any sanctions and action in cases where this is indicated. The head of centre will also inform the individuals if they have the right to appeal (SMPP 11.1)

Appeals against decisions made in cases of malpractice

South Lincolnshire Academies Trust will:

- Provide the individual with information on the process for submitting an appeal, where relevant
- Refer to further information and follow the process in the JCQ publication **A guide to the awarding bodies' appeals processes**

Special Consideration Policy

2022/23

What is special consideration?

Special consideration is given to a candidate who has temporarily experienced illness, injury or some other event outside of their control **at the time of the assessment**. It is applied when the issue or event has had, or is reasonably likely to have had, a material effect on a candidate's ability to take an assessment or demonstrate his or her normal level of attainment in an assessment.

Special consideration can go some way to assist a candidate affected by a potentially wide range of difficulties, emotional or physical, which may influence performance in their examinations. It cannot remove the difficulty faced by the candidate. This means that there will be some situations where candidates should not be entered for an examination. This is because only minor adjustments can be made to the mark awarded. To make larger adjustments would jeopardize the standard of the examination. (JCQ's **A guide to the special consideration process**, section 1). This publication is further referred to in this policy as [SC](#).

Purpose of the policy

The purpose of this policy is to identify roles and responsibilities in the special consideration process and confirms that South Lincolnshire Academies Trust will... submit any applications for special consideration where candidates meet the published criteria. (JCQ's [General Regulations for Approved Centres](#), section 5.9)

Eligibility for special consideration

Roles and responsibilities

Head of centre

- Is familiar with the contents, refers to and directs relevant centre staff to the annually updated JCQ publication [SC](#)
- Ensures that, where relevant and in eligible situations, applications for special consideration will be submitted to awarding bodies by the exams officer

Exams officer

- Understands the criteria as detailed in [SC](#) to determine where candidates will/will not be eligible for special consideration
- Ensures that, where relevant and in eligible situations, applications for special consideration will be submitted to awarding bodies

Teaching staff and/or ALS lead/SENCo

- Provide any appropriate evidence or information that may be required to determine a candidate's eligibility for special consideration

Candidates (or parents/carers)

- Provide any medical or other evidence that may be required to determine eligibility for special consideration

Applying for special consideration

Where eligible, special consideration will be applied for at the time of the assessment where candidates... have been fully prepared and have covered the whole course but performance in the examination, or in the production of coursework or non-examination assessment, is materially affected by adverse circumstances beyond their control. (SC, section 2)

For candidates who are present for the assessment but disadvantaged South Lincolnshire Academies Trust must be satisfied that there has been a material detrimental effect on candidate examination performance or in the production of coursework or non-examination assessment. (SC, section 3)

1. Where a candidate may arrive for an exam and is clearly unwell, extremely distressed and/or may have sustained an injury that requires emergency access arrangements to be put in place:
 - the candidate will be kept comfortable and under centre supervision from the required time while appropriate arrangements are put in place for the candidate to take the exam in the best possible conditions
 - a judgement will be made on how the candidate's situation or disposition affected performance in the exam
 - where appropriate and where eligible, special consideration will be applied for
2. Where candidates may be affected by a major disturbance in the exam room (emergency evacuation etc.), special consideration will be applied for on behalf of all candidates.
3. Where a candidate takes multiple exams (three or more exams) timetabled for the same day and the total duration for those papers is more than 6 hours for GCE and Level 3 exams or more than 5 hours 30 minutes for GCSE, Level 1 and Level 2 exams including any approved extra time but not any time taken for supervised rest breaks, special consideration for an allowance on the last paper taken will be applied for.
4. Where a candidate may be affected by a minor disturbance in the exam room caused by another candidate (momentary bad behaviour, mobile phone ringing etc.), special consideration cannot be applied for.

If a candidate is absent from a timetabled component/unit for acceptable reasons, and the centre can support this, special consideration will be applied for if the exam missed is in the terminal series and the minimum requirements for enhanced grading in cases of acceptable absence can be met. For unitised examinations taken in an examination series prior to certification, candidates must be re-entered for any missed units at the next assessment opportunity. Unless there are difficulties arising, e.g. group performances which cannot be repeated, special consideration will not be awarded. (SC, section 4)

Where other issues or problems affect a candidate or a group of candidates, special consideration will be explored in SC 5 and applied for where eligible. This might include, for example:

- other certification
- coursework/non-examination assessment extensions
- shortfall in work (coursework/non-examination assessment)
- lost or damaged work (non-examination assessment components)
- candidates taking an incorrect or defective question paper
- candidates undertaking the wrong controlled assessment or non-examination assessment assignment

Where a candidate may be eligible for special consideration (a post assessment adjustment) in a vocational qualification, the centre will follow SC 7 and awarding body guidance to determine if, when and how an adjustment can be applied for.

Processing applications for special consideration

Roles and responsibilities

Head of centre

- Ensures that all eligible applications will be supported by signed evidence produced by a member of the senior leadership team

Senior leadership team

- Produce signed evidence in support of all eligible applications

Exams officer

- Understands that special consideration must be applied for at the time of the assessment
- Understands that special consideration cannot be applied in a cumulative fashion and that where a candidate may be affected by different indispositions, special consideration should only be applied for the most serious indisposition
- Ensures applications will be processed as required by the awarding bodies
- Keeps evidence to support all applications on file until after the publication of results and provides the signed evidence provided by a member of the senior leadership team to support an application where this may be requested by an awarding body
- Meets the required deadline(s) for submitting applications

Teaching staff and/or ALS lead/SENCo

- Provide any appropriate evidence or information that may be required to support a candidate's application for special consideration

Candidates (or parents/carers)

- Will be asked to provide any required medical or other evidence that may be required to support an application for special consideration
- Will be informed that all cases must be dealt with by the centre

Submitting applications for special consideration

Where a candidate or group of candidates is/are eligible for special consideration, applications will be submitted to the relevant awarding body following the published processes in SC.

In cases of online applications for special consideration, the candidate/candidates will be informed when an application for special consideration is submitted to the awarding body (to ensure compliance with the UK GDPR/Data Protection Act 2018).

Evidence to support all applications will be kept on file until after the publication of results.

Timetabled written exams

- For GCE and GCSE qualifications, applications for individual candidates will be submitted online by logging into the relevant awarding body secure extranet site and following the links to special consideration
- The processes for submitting a single application to cover all exams affected where a candidate is present but disadvantaged and a separate application for each day on which exams are missed where a candidate is absent from an examination for an acceptable reason detailed in [SC 6](#) will be followed
- For other qualifications, applications will be submitted online where the awarding body's secure system accepts these
- [Form 10 Application for special consideration](#) will only be completed and submitted to the awarding body where a paper application is specifically required by the awarding body

- For cases involving groups of candidates, applications will be made online where the awarding body's secure system accepts group applications or form 10 will be completed
- **Form 14 Self certification form** (Self certification for candidates who have missed an examination) will only be completed by a candidate where circumstances warrant this and will not be used where the centre knows the candidate was ill

Internally assessed work

- Where appropriate, applications will be made online where the awarding body's secure system accepts them or form 10 will be completed and submitted to the awarding body
- Where a short extension to a work submission deadline for an individual candidate is being requested, the awarding body will be contacted directly
- Where an application relates to a shortfall in work for an individual candidate, this will be submitted online or by completing form 10, dependent on the awarding body

Post assessment adjustments – vocational qualifications

- Where the learner's circumstances are eligible, form 10 or **form VQ/SC Application for special consideration Vocational qualifications** will be completed and submitted to the awarding body

Private candidates

- Any private candidate entered by the centre must liaise with the exams officer (not the awarding body) regarding any application for special consideration

Late applications

If, after the publication of results for a particular exam series, a claim is made that special consideration was not applied for at the time of an assessment where a candidate was eligible, the claimant will be informed that late applications will only be accepted by an awarding body in the most exceptional circumstances and where a member of the senior leadership team is able to produce compelling evidence to support a late application.

If a claim is made after the completion of a review of results, the claimant will be informed that an application for special consideration cannot be submitted.

Lockdown Procedure for Examinations

(Please also refer to the SLAT Lockdown Procedure in the Health and Safety Policy)

Purpose of the procedure

This procedure details the measures taken at South Lincolnshire Academies Trust (SLAT) in the event of a centre lockdown during the conducting of examinations.

Depending on the nature of the incident, centres may also decide to evacuate, invacuate (an inward evacuation) or use a protected space(s). However, this policy focuses specifically upon the actions, roles and responsibilities during an exams-related lockdown.

A lockdown may be required in the following situations (this is not an exhaustive list):

- an incident or civil disturbance in the local community which poses a risk
- an intruder on the site with the potential to pose a risk
- local risk of air pollution, such as a smoke plume or gas cloud
- a major fire in the vicinity
- a dangerous animal roaming loose
- an internal threat from a student
- any other external or internal incident which has the potential to pose a threat to the safety of exams staff and candidates

South Lincolnshire Academies Trust has devised lockdown procedures during the conducting of examinations after consulting ProtectUK guidance.

In the event of a lockdown during an examination the focus before, during and after an exam will be:

- training staff engaged/involved in the conducting of examinations
- how to achieve an effective lockdown
- implementing Run, Hide, Tell principles
- the welfare and safety of exam candidates and centre staff engaged in the conducting of examinations
- how to let people know what's happening
- maintaining the integrity and security of the examinations/assessments process

Roles and responsibilities

Head of centre

- To ensure that a dedicated lockdown alarm tone is in place and recognised by all staff and candidates
- To ensure that all staff involved in the conducting of examinations are trained in how to raise the alarm for a lockdown, act effectively and made aware of their responsibilities
- To arrange appropriate training for all exams-related staff in lockdown procedures
- To ensure that candidates are aware of the procedures relating to a lockdown, particularly those arriving late for an examination who cannot access the exam room due to it being in lockdown
- To ensure that all candidates and staff are aware of a possible exit point in case an intruder manages to gain access, or the exam room becomes unsafe
- To provide written lockdown procedures for exam room/invigilator use
- To inform the relevant emergency services immediately in the case of any potential threat to the safety of exams staff and candidates

Senior leadership team (SLT)

- To have accountability for all exams staff and candidates taking examinations during a lockdown
- To run training/drills for examination candidates on lockdown procedures

- To inform parents/carers about the centre's Lockdown policy in relation to the conducting of examinations
- To have a presence around exam room areas prior to the start of each exam session
- To liaise with the appropriate authorities and awarding bodies regarding candidates taking examinations during a lockdown
- To use the exam room attendance register(s) to compile a list of all candidates not accounted for

Exams officer

- To train invigilators in the centre's lockdown procedure – this should also include identifying all access and egress points within exam rooms, an awareness of the design of the locking device within each room and if there is more than one invigilator, whose role it would be to secure the exam room
- Where safe/possible, to liaise with SLT/invigilators in all exam rooms during a lockdown
- To assist with lockdown training for staff and students where applicable to the conducting of examinations

Invigilators

- To be aware of the centre's lockdown procedure
- To quickly and physically secure access/egress points
- To be aware of an effective communication system to inform authorities of the situation
- To complete attendance registers as soon as possible so candidates can be identified in the event of a lockdown
- Where safe/possible, to communicate with the exams officer during a lockdown to confirm the situation in a particular exam room

Lockdown procedure

Before an examination

If a lockdown is required as candidates are entering/waiting to enter the exam room, the following procedure will be employed:

- A member of SLT will be present around exam room areas
- Candidates will be instructed to enter the exam room immediately
- Candidates will be instructed to remain silent, hide under exam desks or sit against a wall/around a corner but not near the door and to ensure mobile phones are on silent and non-vibrate mode
- Where safe/possible, the SLT member will communicate (via mobile phone/walkie talkie) the situation to the exams officer (ensuring that all mobile phones/walkie talkies are on silent and non-vibrate mode)
- Where safe/possible, the exams officer will collate the information from all exam rooms and forward this to the head of centre immediately
- Invigilators will:
 - lock all windows and close all curtains/blinds
 - switch off all lights
 - lock all doors and/or use tables, or any other furniture, to barricade the entrance to the examination room
 - take an attendance register/head count if possible
 - (if the threat is a chemical or toxic release) instruct candidates to cover their nose and mouth (their own clothing can be used) and attempt to use anything to hand to seal up cracks around doors and any vents into the room
 - where safe/possible, not leave the examination question papers unattended/out of sight
- The head of centre will make informed decisions on alerting parents/carers, awarding bodies and emergency services.

During an examination

If a lockdown is required during the exam/when candidates are in the exam room, the following procedure will be employed:

- Invigilators will:
 - tell candidates to stop writing immediately and close their answer booklets
 - collect the attendance register
 - make a note of time when the examination was suspended
 - instruct candidates to remain silent, leave all examination materials on their desks and hide under desks
 - where safe/possible, communicate (via mobile phone/walkie talkie) the situation to the exams officer (ensuring that all mobile phones/walkie talkies are on 'silent' mode).
 - lock all windows and close any/all curtains/blinds
 - switch off all lights
 - lock all doors and/or use tables, or any other furniture, to barricade the entrance to the examination room
 - (if the threat is a chemical or toxic release) instruct candidates to cover their nose and mouth (their own clothing can be used) and attempt to use anything to hand to seal up cracks around doors and any vents into the room
 - Where safe/possible, not leave the examination question papers and candidates' scripts unattended/out of sight
- Where safe/possible, the exams officer will collate the information from all exam rooms and forward this to the head of centre immediately
- The head of centre will make informed decisions on alerting parents/carers, awarding bodies and emergency services
- If appropriate, where safe/possible, and following centre policy, the exams officer (or invigilators in the absence of the exams officer) will initiate the emergency evacuation procedure
- Where safe/possible, the exams officer will collect all examination papers and materials for safe/secure storage following advice from the appropriate awarding bodies

After an examination

If a lockdown is required after the exam/as candidates are leaving the exam room, the following procedure will be employed:

- Invigilators will:
 - stop dismissing candidates from the exam room
 - instruct candidates who have left the room to re-enter the exam room
 - instruct candidates to remain silent and hide under desks/tables
 - where safe/possible, communicate (via mobile phone/walkie talkie) the situation to the exams officer (ensuring that all mobile phones/walkie talkies are on silent and non-vibrate mode)
 - lock all windows and close any/all curtains/blinds
 - switch off all lights
 - lock all doors and/or use tables, or any other furniture, to barricade the entrance to the exam room
 - (if the threat is a chemical or toxic release) instruct candidates to cover their nose and mouth (their own clothing can be used) and attempt to use anything to hand to seal up cracks around doors and any vents into the room
 - where safe/possible, not leave the examination question papers and candidates' scripts unattended/out of sight
- Where safe/possible, the exams officer will collate the information from all exam rooms and forward this to the head of centre immediately

Ending a lockdown

- The lockdown will be ended by either:
 - the sound of a defined alarm, or

- the identification/authorisation of Emergency Service officers/SLT/head of centre entering each exam room
- A specific word or phrase may be used to confirm that the instruction to end the lockdown is genuine
- Invigilators will undertake a head count/register and confirm attendance with the exams officer/SLT
- Where applicable and if advised to do so by SLT/head of centre, and following JCQ guidelines, if there is sufficient time remaining, candidates may restart their examination
- Invigilators will then:
 - ask candidates to return to their desks, remind them they are under formal exam conditions and allow a settling down period
 - allow candidates the full working time remaining to do their examination
 - recalculate the revised finish time(s)
 - tell the candidates to open their answer booklets and re-start their exam
 - amend the revised finish time(s) on display to candidates
 - note how long the lockdown lasted on the exam room incident log (to later inform a report to the awarding body/bodies and where relevant, any centre-wide lockdown recording form/log)
- The exams officer will:
 - provide a report of the incident for the awarding body/bodies (via the special consideration process or as advised by the awarding body/bodies)
 - safely/securely store all collected exam papers and materials pending awarding body advice/guidance
- Where applicable/possible/available, SLT/exams officer will:
 - discuss any alternative exam sittings with the awarding body/bodies
 - offer, arrange and provide support services to staff and candidates
- At the earliest opportunity, SLT/head of centre will prepare a communication to parents/carers advising them of events (including relevant actions and outcomes)
- Where possible, exams staff and candidates will be invited to attend an assembly led by the head of centre to discuss the lockdown and offer ongoing support
 - If this is not possible, communications will be provided via a centre text/email/newsletter and information uploaded to the centre website
