Centre assessment grades and rank orders

South Lincolnshire Academies Trust will not divulge provisional (centre assessment) grades, nor rank orders, with candidates or parents/carers before the issue of results as it understands that any inappropriate disclosure of centre assessment grades and rank order information before the issue of results will be investigated by awarding bodies as potential malpractice.

Centre assessment grades and ranking will only be issued upon request by the candidate or parent upon a written request.

Final grades

South Lincolnshire Academies Trust will:

- issue results in accordance with the centre's *Information for Candidates - Results, Appeals and Certificates* document (detailed on pages 4&5)
- signpost candidates (and parents/carers) to information provided by key stakeholders at the time final grades are issued to support their understanding of the grades awarded

Arrangements for results day(s)

South Lincolnshire Academies Trust will:

- organise results day(s) and inform candidates of the arrangements in place for the collection of/access to their results
- ensure senior members of centre staff are available/accessible to candidates with whom a result/results may be discussed
- prepare information for candidates showing their options if they have concerns about their results
- signpost candidates to relevant Ofqual and/or awarding body information that sets out how their grades were calculated this year and the options available if they believe their result was not properly produced, including access to appeal

Arrangements for appeal

South Lincolnshire Academies Trust will:

- follow information provided by awarding bodies to determine the grounds on which an appeal can be made on behalf of a candidate, or candidates
- make candidates aware of the arrangements in place for appeals prior to the issue of results by publishing this policy on the South Lincolnshire Academies Trust website
- provide candidates with a statement of the arrangements promptly when requested
- seek any information the awarding body holds in relation to how final grades were calculated if there is a concern about any results
- submit an appeal to the awarding body on behalf of a candidate or candidates where it is believed:
 - the centre itself made an error when submitting centre assessment grade or rank order information to the awarding body and has supporting evidence that confirms an error was made (and will submit its supporting evidence at the earliest stage and explain why data which the Head of Centre declared to be accurate is now considered incorrect)

- the awarding body made a mistake in the operation of the standardisation model where the wrong data was used to calculate results
- the awarding body made an administrative error in the issuing of results
- collect consent from a candidate before any appeal is submitted to the awarding body.

Internal appeals procedure

South Lincolnshire Academies Trust will provide a process for a candidate to appeal against any decision the centre may make :

- not to seek from the awarding body any information the awarding body holds that would be needed for an appeal; and/or
- not to appeal to the awarding body

How centre assessment grades and rank orders were determined

To respond to any queries, challenges or internal appeals from a candidate (or their parent/carer) South Lincolnshire Academies Trust will provide records detailing:

- the process deployed for each subject in calculating centre assessment grades and ranking of all candidates within each grade (or within the cohort where this was required by a particular qualification type)
- a summary of the evidence and data used to make objective and professional judgements
- the standardisation process where a cohort was taught across several teachers in a subject area
- how any conflicts of interest were managed
- the review and check for accuracy undertaken as part of the internal sign-off process for each subject
- confirmation of the process for head of centre sign-off and submission of the declaration to awarding bodies
- any errors reported by an awarding body after the submission of information and details of how these were resolved]

Centre assessment grades and rank orders

South Lincolnshire Academies Trust has submitted provisional (centre assessment) grades and rank orders to the relevant awarding body in accordance with the Ofqual guidance¹ on *Awarding qualifications in summer 2020* and in line with the awarding body instructions.

¹ <https://www.gov.uk/government/publications/awarding-qualifications-in-summer-2020>

For the reason of fairness, awarding bodies are putting these grades through a standardisation process to ensure grading standards are consistent across all centres. The rank order of candidates will not be changed but the final grades candidates receive may be different to the centre assessment grade.

Final grades

On candidate statements of results (results slips) and certificates, final grades will be reported in the same way as in previous years.

Final grades will be issued on results day(s) in August as follows:

Date	Qualification type
13/08/2020	GCE (AS, A Levels) and other Level 3 (BTEC & Cambridge Technical) qualifications
20/08/2020	GCSE and other Level 1/2 qualifications (BTEC & Cambridge National)

Arrangements for results day(s)

Should student's wish to come and collect their results on site they will be sent a letter with an appointed time slot in order that social distancing can be maintained.

All results will be emailed to students in order that they do not have to come into school should they prefer not to. Results will be sent to student's school email accounts and therefore it is very important that they check that they can access their school e-mails at home from the device they intend to use.

Due to data protection results will be emailed to students and not their parent(s)/carer(s).

Should a student be unable to collect their results, they may be collected on their behalf by an adult with written permission from the student. A written request may be e-mailed to the Exams Officer in advance. Any results that are not collected will be posted to the student's home address by first class post.

Concerns about your results

At results time, Ofqual will be providing information for students that sets out how their grades were calculated this year and the options available if they believe their result was not properly produced, including access to appeal. The *National Careers Service Exam Results Helpline*² offers advice each year for students who have not received the results they had hoped for. Ofqual will also make a helpline available to students and their parents or carers to talk about the appeals process and any other questions they may have about their results this summer.

Awarding bodies will also likely provide information for students about results. South Lincolnshire Academies Trust will signpost you to any relevant information at results time.

If you have a concern about a grade you have been awarded, you can ask South Lincolnshire Academies Trust to:

- check whether an error was made when submitting your centre assessment grade and rank order to the awarding body
- raise a complaint with Mrs Conley (Head of Centre) if you feel you have evidence of bias or that you were discriminated against; you could also pass such evidence on to the awarding body who could investigate for potential malpractice
- seek any information the awarding body holds in relation to how your final grade was calculated
- provide information about the opportunity to take an exam in the autumn series or in summer 2021

 - an awarding body made a mistake when calculating, assigning or communicating a grade
- appeal against the centre's decision
 - not to seek any information the awarding body holds that would be needed for an appeal; and/or
 - not to appeal to the awarding body

South Lincolnshire Academies Trust will:

- inform candidates of the arrangements for appeals prior to the issue of results and the accessibility of senior members of centre staff immediately after the publication of results by issuing this *Information for candidates – Results, Appeals and Certificates* document)
- appeal to an awarding body on a candidate's behalf if it believes the centre itself made an error when submitting a centre assessment grade or rank order information or if it believes an awarding body made a mistake when calculating, assigning or communicating a grade
- ask the candidate to provide written informed consent (informed consent via candidate email is acceptable) before an appeal is submitted to the awarding body as the appeal could result in the final grade being lower than, higher than, or the same as the grade which was originally awarded
- only collect consent after the publication of results.
- where relevant, advise an affected candidate to inform any third party (such as a university or college) that an appeal has been submitted to an awarding body

South Lincolnshire Academies Trust will not:

- seek any information the awarding body holds that would be needed for an appeal if it does not believe an awarding body made a mistake when calculating, assigning or communicating a grade
- appeal to an awarding body on a candidate's behalf if it does not believe the centre itself made an error when submitting a centre assessment grade or rank order information or if it does not believe an awarding body made a mistake when calculating, assigning or communicating a grade

An internal appeal may be submitted to the centre where a candidate (or his/her parent/carer) believes there are grounds to appeal against the centre's decision:

- not to seek any information the awarding body holds that would be needed for an appeal
- not to appeal to the awarding body

An internal appeal should be submitted by:

- Making a request in writing or by e-mail detailing your specific concerns to Mrs L Conley, Head of Centre. All requests should be made by the date given at the time when the results are released. The candidate will be informed of the outcome of the internal appeal as soon as a decision has been made and in sufficient time for the centre to take any appropriate action where the internal appeal may be upheld.

If the internal appeal is upheld by the centre:

- where applicable, the centre will request information the awarding body holds that would be needed for an appeal within the time period set by the awarding body.
- where applicable, the centre will submit an appeal on the candidate's behalf to meet the awarding body's deadline for appeals.
